DECLARATION OF NICOLE T. LEWIS
LEGAL ASSISTANT
FEDERAL BUREAU OF PRISONS

I, Nicole T. Lewis, hereby make the following declaration pursuant to 28 U.S.C. § 1746:

1. I am employed by the U.S. Department of Justice, Federal Bureau of Prisons (“BOP”), as a Legal Assistant in the Legal Department of the Metropolitan Detention Center (“MDC”) located in Brooklyn, New York. I have access to various records maintained in the ordinary course of business at the MDC, including but not limited to SENTRY, the BOP’s computerized inmate management program, which contains, among other things, BOP’s files relating to related to Ryan Stephen Samsel, Inmate No. 28332-509 (“Petitioner”).

2. I submit this declaration in support of Respondents’ response to the above-captioned Petition for Writ of Habeas Corpus (“Petition”) based on my personal knowledge, information contained in SENTRY, and any information obtained from other federal agencies, as

discussed below. I am aware inmate Petitioner filed the Petition.

3. Petitioner is a pre-sentenced inmate who has been incarcerated most recently at MDC since February 27, 2024. A true and correct copy of the Inmate History is attached as ***Exhibit 1***.

4. Petitioner was arrested for federal assault and obstruction offenses in connection with the January 6, 2021, attack on the Capitol grounds. A true and accurate copy of the District of Columbia Criminal Complaint is attached as ***Exhibit 2***. On February 2, 2024, Petitioner was found guilty on eight of the thirteen offenses. A true and accurate copy of the Verdict Form is attached as ***Exhibit 3***.

5. The BOP has established a multi-tiered system, known as the Administrative Remedy Program, by which a federal inmate may seek review of an issue relating to any aspect of his or her confinement except claims for which other administrative procedures have been established (including tort claims, Inmate Accident Compensation claims, and Freedom of Information Act claims). *See 28 C.F.R. §§ 542.10 to 542.19.*

6. Prior to initiating the multi-tiered system, an inmate must first present his or her issue informally to staff. *See 28 C.F.R. § 542.13.* If informal resolution is unsuccessful, an inmate may initiate the formal administrative remedy process by submitting a Request for Administrative Remedy (“BP-9”) to the Warden of his or her facility within 20 calendar days following the date on which the basis for the Request occurred. *See 28 C.F.R. § 542.14.* The Warden has twenty days to respond, with an extension of another 20 days if necessary. *See 28 C.F.R. § 542.18.*

7. An inmate who is dissatisfied with the Warden’s response may submit an appeal to the Regional Director on the appropriate form (“BP-10”) within 20 calendar days of the date the Warden signed the response. *See 28 C.F.R. § 542.15.* The appeal must be accompanied by one

complete copy or duplicate original of the institution request and response. *See id.* The Regional Director has 30 days to respond, with an extension of another 30 days if necessary. *See* 28 C.F.R. § 542.18.

8. In the event the inmate is dissatisfied with the Regional Director's response, the inmate may proceed to the next and final level by filing a Central Office Administrative Remedy Appeal ("BP-11") with the BOP's Office of General Counsel within 30 calendar days of the date the Regional Director signed the response. *See* 28 C.F.R. § 542.15. The appeal must be accompanied by a complete copy or duplicate original of both the institution request and response and the regional appeal and response. *See id.* The BOP's Office of General Counsel has 40 days to respond to an appeal, with a 20-day extension if necessary. *See* 28 C.F.R. § 542.18.

9. If an inmate does not receive a response within the time allotted for reply, including extension, the inmate may consider the absence of a response to be a denial and proceed to the next level in the process. 28 C.F.R. § 542.18. No administrative remedy appeal is considered finally exhausted until it is considered by BOP's Central Office. 28 C.F.R. § 542.15(a).

10. One function of SENTRY is that it contains a complete history of administrative remedy filings made by federal inmates at any BOP facility. Administrative remedy submissions are identified first by a case number; then by an alphabetic designation showing whether the remedy was received by the local institution (denoted by a letter "F"), Regional Office (denoted by a letter "R"), or Office of General Counsel (denoted by the letter "A"); and then a number showing how many times a particular request had been received at that level. BOP does not keep copies of rejected submissions, but the submission is reflected in SENTRY.

11. I reviewed the SENTRY administrative remedy records pertaining to Petitioner. SENTRY indicates that on September 13, 2022, the BOP received Petitioner's BP-9 regarding

“MEDICAL CAR – DELAY/ACCESS TO IMPROPER/INADEQUATE to which the Warden at Federal Detention Center Philadelphia responded on September 15, 2022. SENTRY indicates that Petitioner did not follow up on the Warden’s response by filing a BP-10 or otherwise continuing the Administrative Remedy Program process regarding the allegations raised in the Petition. A true and accurate copy of the Petitioner’s SENTRY administrative remedy record is attached hereto as ***Exhibit 4***.

I declare the foregoing is true and correct to the best of my knowledge and belief and given under penalty of perjury pursuant to 28 U.S.C. § 1746.

Executed this day on August 19, 2024.
